STEPHEN JOHNSON
GRAPHIC DESIGNER

770-771-3664 | design@stephenscreativedesign.com | stephenandanj.com/stephenscreativedesign

WORK EXPERIENCE

2014 - Present

DrJockers.com, Dr. David Jockers

For the past decade, I have been developing graphic images for DrJockers.com, one of the premier natural health websites in the industry. I utilize my graphic design abilities to produce various media products including social media graphics, blog post images, web banners, digital ads, website graphics, 3d mockups, private labeling design, ebook design, landing pages on the leadpages and clickfunnels platforms.

2019 - Present

Natural Heart Doctor, Dr. Jack Wolfson

Utilization of graphic design skills to produce social media banners, ebooks, amazon marketing ads, web graphics, printed marketing material, 3d mockups and infographics through collaboration with the team at Natural Heart Doctor.

2020 - Present

Ortho Integrative, Dr. Emmett Blahnik

Utilization of graphic design skills to produce web graphics, private labeling supplement design, 3d supplement mockups, and infographics.

EDUCATION

2015 - Present

Continuing Education Online with Udemy.com

Continuing education courses in the Adobe Creative Suite, Blender 3D, Adobe Firefly AI Generation, LiveHome 3D and Google Sketchup.

1998-2000

**Graphic Design Diploma
Chattahoochee Technical College, Marietta, GA**

Received a Printing & Graphic Design Diploma, with training in graphic design.

ABOUT

Stephen has been providing design solutions that communicate visually for more than 24 years. He works as an independent contractor with companies, helping to bring their concepts and vision to life in a visually appealing way.
